

ARCHITECT-IN-TRAINING

WHO WE ARE

A boutique architectural firm with a luxury focus, Drewett Works specializes in the upper end of both residential and end-user commercial building projects. With a detail-focused team and extensive exposure to the use of high-end finishes, they are eager to spread their creative boundaries on every project.

DW designed Seven Desert Mountain, the newest clubhouse located at the prestigious Desert Mountain Golf Club, received multiple awards and a selection by Golf, Inc. magazine as one of the best new golf clubhouses in the US. Residential projects have received accolades such as “Room of the Year (2019, 2020) and Home of the Year (2018, 2020) at the Best in American Living Awards.

Drewett Works projects have been featured in magazines — The Robb Report, Phoenix Home & Garden, Luxe Interiors + Design, Modern Luxury Scottsdale, AZ Foothills, Western Interiors, Trad Home, Western Art & Architecture, AZ Golf Insider, and Golf Inc — as well as architectural books (Best of Design, 2021). Current firm projects span the US from Florida to California as well as Loreto and Los Cabos, Mexico.

WHAT WE'RE LOOKING FOR

Drewett Works is looking for an aspiring architect with a passion for excellence in design, 1-3 years of experience, a problem solver who devours a challenge and subscribes to lifelong learning. The core accountability of this role is to provide architectural deliverables in a team setting for our world class projects.

This position is not for those interested in working in an isolated environment with a limited set of specialized skills. This position is for those who already have great talent and want to elevate their skills by collaborating with a rockstar team and contributing to the expansion of an office.

ESSENTIAL RESPONSIBILITIES

- Work in teams with project managers, team leaders, and others moving projects through Design Development and Construction Document phases
- Communicate with team leaders, and consultants to ensure project deadlines are met
- Grow in expertise of Revit through training with BIM Manager
- Contribute thoughtful, creative solutions to problems that arise as design is translated to documents
- Contribute to tasks for any projects assigned by Project Director, Project Designer, and Team Leader
